

Athletics Flat Fee Structure

Faith Academy of Marble Falls is offering a flat fee for all secondary students (6th – 12th) for enrollment in an unlimited number of sports and a performance training course. The goal is to reduce costs for multi-sport athletes, encourage single-sport athletes to join a second team, and to provide a strength and conditioning period for both in-season and off-season athletes that would easily incorporate into our students' schedules.

An Unlimited Number of Sports

The high school athletic enrollment flat fee is \$1,250 and the junior high athletic enrollment flat fee is \$900. Secondary students can enroll in an unlimited number of the following sports:

Performance Training

A Strength and Conditioning course will be scheduled for junior high athletes during 6th period. This will provide a quality performance training opportunity for athletes who are currently not in-season.

High school athletes will have the opportunity to participate in off-season performance training workouts on home days and/or after school on class days.

Overall, this new structure will provide opportunities for athletes to increase their participation in sports and improve performance.
